Coronavirus: Update of Public Calamity Situation Measures

Due to the worrying evolution of the epidemiological situation currently afflicting the country, Presidential Decree no. 276/20 of 23 October 2020 has been enacted to update the preventive and control measures for the spread of COVID-19.

Overall, there is a strengthening of the previous preventive measures established in Presidential Decree no. 256/20, of 8 October 2020. Key changes include:

- An increase of fines for breach of the new rules;
- A special recommendation to refrain from moving around or staying in public spaces from 10.00 pm to 5.00 am;
- The cordon sanitaire in the Province of Luanda is extended until 22 November 2020. Authorities, in all Provinces and Municipalities subject to cordons sanitaires must safeguard the health control of entry and exit of goods and services, of patients, of people in public service, humanitarian aid and other circumstances to be determined by the competent authorities;
- Domestic and international scheduled flights are resumed, but they are limited to the minimum necessary;
- In addition to foreign non-resident citizens, those who have their own residence also have the duty to observe home quarantine, although health authorities may determine otherwise if there are no conditions;
- Children under 12 are once again considered vulnerable citizens and this allows their guardians to be absent from on-site work activities;

"Children under 12 are once again considered vulnerable citizens and this allows their guardians to be absent from on-site work activities."
